# Weekend Retreat Seminar Details

## WHAT: 'WALKING THROUGH THE FLOOR PLANS; THE SEMINAR OF A LIFETIME'

- Join colleagues for a fabulous and fun learning weekend which includes a Certificate of Expertise.
- Unprecedented techniques on planning and presenting a complete and total concept.
- A Certificate of Floor Plan Expertise is earned upon completion.
- Whether for clientele, builders, teaching or personal use, these innovative ideas will save time money, worry and frustration versus via conventional methods.

## WHERE: ORANGE PARK, FLORIDA

- The Seminar and Hotel location is at the Orange Park Hilton Garden Inn. See the last page for site info.
- Exact directions will be sent. If flying, make reservations to JAX: Jacksonville International Airport.

## WHEN: FRI OCT 22; SAT OCT 23; SUN OCT 24, 2010

- Begins Friday at 5PM and closes Sunday at 11AM. (Optional au gratis brunch until 1AM; see last page)
- There will be several windows-of-time to work on your own, ask questions and solve problems.

## COST: \$395.00 PER ATTENDEE; BRING ANOTHER ATTENDEE FOR ½ PRICE OF \$200.00

- The deposit cost is divided into half with the balance due upon arrival.
- Checks are made to: CAROL CHOP INTERIORS and mailed to PO Box 107 Orange Park, FL. 32067
- On-line credit card payments go to: <http://www.decoratingsecrets.com/shopping.htm>
- Limited attendance with a maximum of 8.
- The cost does not cover travel, hotel or food expenses except the Brunch.
- All supplies are included. However, if you want to bring your magnetic template and laptop, please do.

## ALSO INCLUDES THESE GREAT FEATURES

### HOW TO:

- Establish a fee
- Multiply Income
- Deliver succinct dialogues
- Make power point portfolios
- Create a simple, one-page contract
- Get the best products for the lowest prices
- Attain clientele; market and advertise for free

# Testimonials

- "I learned more in one weekend from Carol than I did in four years of college. Honest!"
- "Our income tripled in one year from networking, guesstimating, teaching and all the other great techniques."
- "I was thinking about changing careers until I learned Carol's methods of estimating, prevention and presentations."
- "I learn something new from the visuals every time I view them. I watch while using my exercise bike!"
- "This is a unique, innovative and easy quick-study for all levels of education and experience."
- "What I like best about the program is I can use it for a resource and I don't have to finish each chapter or book all at once."
- "The DVD'S have the most extraordinary pictures and ideas."
- "Learning to identify furniture with each style's fabrics, patterns, colors, etc. is so easy and gives me a competitive edge."
- "Carol's common-sense approach using 'arrows' confidently helps me to decide what should blend versus contrast and predict outcomes"
- "Buying this Course has been an investment that has paid for itself over and over again."
- "No more wasting time and giving away all my ideas before even having the job. Plus, I'm free to be creative!"
- "Just clone her and send her to me".
